Important Information

Replying to your offer:

All offers of Admission are issued electronically.

Payment of your deposit will be taken as formal acceptance of the above offer (see 'Deposits' below).

It is very important that you read and understand our [Terms & Conditions](#) before you accept a place at Bangor University. By accepting an offer, you are agreeing to our [Terms & Conditions](#) and that you will comply with them. If you are unsure about any of these terms, please use the [Application Portal](#) to contact the Admissions Office. You are also confirming that all the information you have provided to Bangor University is accurate and complete and that you will comply with the appropriate University rules and regulations regarding your application. Please note that you will not obtain Bangor University student status until you have successfully completed the formal registration process upon arrival at the University. Information regarding registration is detailed in this letter.

Important additional information: please read the following notes concerning this offer carefully and before contacting the University.

Arrival and Registration:

You are expected to arrive and register on the 'Arrival Date' as stated on the first page of the offer letter, otherwise you will miss out on essential orientation and the start of the course. Please note that the date on which you should arrive in Bangor University to formally register will also be confirmed in your 'Notification of CAS letter' (required for your student visa application). In exceptional circumstances, it is possible that you may be permitted to register after that date (please refer to the 'Notification of CAS' letter), however students must make every effort to arrive by the date of permitted late arrival. Students are advised that it is their responsibility to catch up with all missed coursework and assignments.

Registration and arrival details will normally be sent to you by email two weeks prior to the arrival/registration date, provided that all the conditions specified in the offer of admission letter have been satisfied and the deposit payment has been received.

Financing your studies:

If you have been awarded a Tuition Fee Scholarship, refer to the relevant Scholarship page for more details:
www.bangor.ac.uk/international/future/scholarship

If you have an academic condition attached to your offer, please note that Bangor University reserves the right to adjust the level of the scholarship award based on your final academic grades.

If you are funded by a third party for your study at Bangor University you must ensure that the International Admissions Office receives official written confirmation of this with full invoicing details from the third party concerned otherwise you will be invoiced for the full amount.

Fully sponsored students **will not** be entitled to the Tuition Fee Scholarship award.

Please note a minimum of 50% of the Tuition Fee must be paid prior to OR at Registration. Further details on university payment methods can be found at: www.bangor.ac.uk/international/future/payment.php The full University Fees Policy can be found at www.bangor.ac.uk/student-administration/fees/

Estimated living costs act as a guideline to the cost of living in Bangor. The actual amount will vary depending on your type of accommodation and lifestyle.

Deposits

The deposit charged is set out in the University's current tuition fee schedule and must be paid either to the University's authorised agent or directly to the University. This deposit will be offset against tuition fees. Please follow this link for payment arrangements and methods: www.bangor.ac.uk/international/future/payment.php

Where a student is being funded by a recognised sponsor (e.g. overseas government; US Loans) a deposit is not normally required.

The deposit is refundable, subject to conditions. For details, please refer to www.bangor.ac.uk/international/future/payment.php

Paying your Deposit:

Provided that all the conditions specified in the offer letter have been satisfied, it is advised that you make the deposit payment as soon as possible so that the university may issue the CAS and enable you to apply for a student visa at your earliest convenience.

Payment can be made by International Bank Transfer (Transfermate), bank transfer or by credit card; please follow the instructions at the following webpage to arrange payment:
www.bangor.ac.uk/international/future/payment.php

Your course:

Academic progress is monitored regularly. Where your studies are being formally funded by a sponsor (e.g. Research Council, Government body, etc) or you are currently, or have been, undertaking studies at a partner institution, the University reserves the right as a condition of registration, to provide regular academic progress reports directly to your sponsor or the partner institution. By accepting this offer, you authorise Bangor University to release to the partner institution or sponsor, details of your academic progress. Furthermore, in certain circumstances where there is due concern regarding your academic performance, you permit any data pertaining to your attendance at Bangor University to be shared with the partner institution or sponsor. Where information is shared it will be as a condition of your formal funding, or because the University is concerned about your progress. The information will be limited to and proportionate to what the funder requires, and / or to the concern raised. If you would like to discuss any exemptions to this policy you must do this prior to registration.

English Language:

You are expected to provide a certificate of your English language ability (www.bangor.ac.uk/international/future/englishlanguage.php), consistent with the requirement specified in the offer of admission and the University's published English language requirement for the programme. Bangor University reserves the right to request that you take a University specified English language test should it become apparent that your English language ability is inconsistent with the evidence provided. In such an event, you would be required to comply with the recommendations resulting from the test result which may incur additional costs, payable by yourself.

Your qualifications

You will need to provide evidence of your qualifications. This may be:

- confirmation of your award(s) from your prior university or college
- original transcripts (non-returnable)
- photocopies or scanned copies of your certificates

Authenticated translations will be required where appropriate.

Please do not send original certificates through the post.

Your original certificates will be required when you register.

Residency:

University regulations require all full time students to engage fully with their course of study. Every student is monitored for compliance with this regulation. The University requires every student to live within a reasonable daily travelling distance of the University (i.e. 1 hour).

Accommodation:

Accommodation is guaranteed to all new international students for September intake, subject to conditions.

Details of Bangor University accommodation and how to make an application can be found at:
www.bangor.ac.uk/international/accommodation.php

Visa

Please refer to the Student Visa Guide for full details of the requirements for obtaining a student visa:
www.bangor.ac.uk/international/visas

Every student requiring a visa to study in the UK will require a 'Confirmation of Acceptance for Studies' (CAS) reference number from a recognised sponsor (e.g. University).

In order for this University to obtain a CAS reference number for you from the UK Visas & Immigration (UKVI), you will need to

- Have satisfied any conditions specified in your offer of Admissions letter.

- have paid any deposit requested in this offer letter (if applicable). This deposit will be offset against tuition fees after you have formally registered at Bangor University.

- provide a scanned copy of your passport (identity details pages i.e. name, passport number, and nationality)

Please note that a CAS is valid for 6 months. You should check with your local UK visa issuing office regarding the visa application process and the earliest date you can apply.

Please note that you may be subject to pre-CAS checks by Bangor University before we are able to release the CAS to you.
